\* Important notices regarding the change of the regular semester's operation method

Class or self-study in the week where the test is not taken into account considering the mid-term period

(2019.10.21.-10.25.) And the final period (2019.12.9.-12.20.) Should proceed. \* According to Article 57-2 of Yonsei University School Regulations, students with disabilities may request teaching and learning support for attendance,

lectures, assignments, and examinations through interviews with their professors before and after the start of the semester. Assistance is available through the faculty or students with disabilities. Here are some examples of

possible disabilities by class, assignment, and exam. (However, the actual support content may vary depending on the nature of the lecture.) [Lecture] -Visually impaired: teaching materials (digital, braille, enlarged textbooks, etc.),

essay help allowed -Retardation: teaching materials (digital teaching materials), Ghostwriting and teaching assistant helper allowed, designated seating arrangements - deaf: daepil / text translator helper allowed, lecture transcripts

allowed - intellectual disability / autism disorders: daepil assistant and teaching mentor allow [assignment and exam]

- visual impairment / disability / deaf : Extension of project submission deadline, adjustment of assignment and

submission method, extension of test time, adjustment of test questions and response method, provision of separate place, linkage of helpers, etc. -Intellectual Disability / Autistic Disorder: Submission of individualization assignment

and evaluation of alternative evaluation
