Course Target	In-depth my understanding of French culture and art, especially high-level culture such as literature, philosophy, painting and architecture; for student who wants to enrich their life with new appreciation for culture and arts Any student who wants to enjoy their life relaxing and leisurely.	
Course Objectives and Overview	A variety of literary, philosophical, painting and architectural concepts that a respected cultured person in Western society should know. This course is designed to help students gain high-level knowledge easily A must-have class before you travel in France !! The goal of the class is to learn piecemeal knowledge , not just learn list of simple ideas. After a semester of class, I expect students to appreciate architecture, painting, and literature, with incredible skills and with new perspectives on historical philosophy born again as a newly educated citizens.
